STATEMENT OF CLINE H. WHITE

I, Cline H. White, am attorney of record for the Applicant of Patent Application No. 09/844,970, and make the following statement in connection with the referenced patent application.

The USPTO filing receipt for the patent application serial number 09/844,970 was received by my law firm on June 28, 2001. Following our standard procedure, it was sent to docketing prior to it being reviewed by an attorney. I first received and reviewed the Filing Receipt on July 18, 2001. During that review, I saw where the subject patent application had been given an April 29, 2001, filing date. I immediately began work in regard to this Petition to Correct the Filing Date. Therefore, I believe that this Petition is being filed promptly pursuant to 37 C.F.R. §1.1

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully,

JACKSON WALKER L.L.P.
